## THE COLUMBIA ACTORS' GUILD

The Columbia Actors' Guild was formed in the spring of 1964 in answer to requests for summer theatre in Columbia, S.C. This entertainment on the local level soon spread throughout the state and the Guild was invited to various cities in the region. This is a group dedicated to the principles of good theatre with a view toward building the South's cultural activity. Mel Glass is the Executive Director, and Milton Dickson is the Producer and the Director of this production.

## IN THE LOBBY

We are pleased to present for your enjoyment an exhibition of paintings by John C. Kollock. Mr. Kollock was raised in northeast Georgia, and studied art at the Univ. of Georgia, and the Famous Artists' School of Westport, Conn. He has been a free-lance commercial artist in Atlanta for the past ten years. Most of the works in this group deal with hill people and their homes and their way of life. The artist is fascinated with the natural sense of design which the early settlers in this part of the country used in building their houses and barns.

**GIFTS**

**BUNNY & MALCOM ROBERTS**

**COLLIN WILCOX HORNE** appeared in her first starring role on Broadway this past winter, **The Family Way**. Prior to that she appeared on the West Coast in **Period of Adjustment** and later repeated her role in London at Wyndham's Theatre in the West End. A year later she and Mr. Horne brought the same play to Highlands to set box office records here. Her other New York stage credits include: **Strange Interlude**, **Look!, We've Come Through**, **Crazy October**, **Camino Real** and **The Day the Money Stopped**. Her television credits include appearances on: **Dr. Kildare**, **Ben Casey**, **Great Adventure**, **Alfred Hitchcock Hour**, **The Twilight Zone**, **The Defenders**, **Route 66**, **The Doctors** and **The Nurses**, and **The Untouchables**. Mrs. Wilcox appeared in the film **To Kill a Mockingbird**. Her first stage appearance was at the age of nine in **Our Town** for Highlands Community Theatre. She is the daughter of Mr. and Mrs. Jack H. Wilcox of Highlands, founding members of this organization.

**GEOFFREY HORNE** was seen a few weeks ago at the Galax Theatre in the film, **Bridge on the River Kwai**. His other movie credits include: **Esterina**, **Tempest**, **The Corsican Brothers**, **Bonjour Tristesse**, **Joseph and His Brothers** and a Spanish Western entitled **Three Good Men**. In New York he has appeared in **High Named Today**, **Too Late the Phalarope**, **Romeo and Jeanette** and **Strange Interlude**. On the West Coast he has appeared in **Measure for Measure** and **The Sea Gull**. Mr. Horne's television credits include appearances on: **The Doctors** and **The Nurses**, **Alfred Hitchcock Hour**, **Route 66**, **Outer Limits** and **The Twilight Zone**. This fall Mr. and Mrs. Horne will return to New York City where Mr. Horne will co-produce the three one-act plays, **Bachelor Furnished** by James Bridges, that were presented for Highlands Community Theatre last season. Both Mr. and Mrs. Horne will repeat the roles they created here last summer.

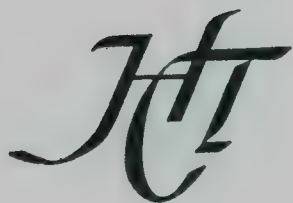

**RALPH SARGENT**, Shakespearean Scholar, teacher and critic, has had a life-long interest in the theatre. A graduate of Carleton College, with a Ph.D. from Yale University, he holds the Gummer Chair of English at Haverford College, Haverford, Pennsylvania. His books include: **At the Court of Queen Elizabeth** and **Books of the Renaissance**. He is one of the editors of **The Pelican Shakespeare**, a revised and annotated text of Shakespeare, whose editors include the leading Shakespearean scholars of America; he has also served on both The National Council and The National Executive Committee of The American Association of University Professors. Mr. Sargent and his family have been summer residents of Highlands since 1939. He is Past-President and continuing Trustee of The Highlands Biological Station. He has made one other appearance at The Highlands Community Theatre with a part in **Kiss and Tell** several seasons ago.

## WHO'S WHO IN THE CAST

Kitty Bryan (the mother) comes from Orlando, Florida to spend her second summer at her cottage on Mill Creek Road. Mr. Bryan teaches the Nature Study Course at the Highlands Biological Station. Kitty has been active for the past five years in Church Drama, and with the Orlando Players, where she has filled such roles as RUTH in BLYTHE SPIRIT, a Hula Dancer in THE BARKER, and the innocent wife, in the SUSPECT. Her biggest thrill was having a small starring role in two series of THE BEACHCOMBERS, a television program originating in Orlando. Mrs. Bryan had intended to get a lot of painting done this summer, for the Art Guild, but when one gets involved in the Highlands Community Theatre, things have a way of changing.

Mary Raoul (Corie) is a graduate of Bennett College, in Millbrook, New York. With the exception of three years spent in Switzerland and traveling in Europe, Mary has spent all of her summers in Highlands, and most of those summers in some phase of theatre work. In 1959 Mary first appeared on the boards of the Highlands Community Theatre as the twisted star in BAD SEED. Since then, she has played various roles in School and College productions, ranging from high "drama" to modern Shakespeare. Mary blames her brother, Bill, who is presently the technical director for the University of Washington Drama Department, for getting her mixed up with the Theatre, but she really is not trying too hard to get "detached".

G. Sam Sanfilippo (Victory Velasco) Our Director again proves his versatility. Last year's Theatre-goers enjoyed his performances in "Catch Me If You Can", "Any Wednesday", and "The Fantastics". Now you can sample his Hungarian flavor. Sam, with his wife and two sons enjoyed the Delray Beach breezes this past winter. He has also been active in the Cape Cod Melody Tent, the South Shore Music Circus, in Cohasset, Massachusetts, and the Youngstown Playhouse, in Ohio. He has planned an exciting season of plays, and has an enthusiastic group working with him.

Ken Davis who made his first Highlands stage appearance last year, as the "Girl's Father" in the "Fantistics" has also had roles in "Brigadoon" and "Paint Your Wagon", with the Delray Beach Group. He is our Technical Director this year. The phone used in this play is no doubt the most expertly installed phone in the history of Show Business since Mr. Davis is the Electro-Mechanical Technician in the Bell System of Palm Beach. He is also a Very Nice Guy.

Tom Crumpler (Delivery Man) After several long and serious roles with H. C. T., including the lead in the IMAGINARY INVALID, and the Mayor, in last year's NEVER TOO LATE, Dr. Crumpler finds that the rarified air from his summer home on Satulah Mountain has not fitted him for the climb to the Bratter's hideaway. He is unable to say much in this play but his presence on stage is a tribute to his continued interest in the Highlands Community Theatre and his willingness to contribute. Dr. Crumpler is a member of the Tulane University faculty.

Mike Eaton (Paul Bratter) The very funny Indian of the FANTASTICS rides again. Mike is an English major at Cornell, and is perhaps compiling material for a serious work on the Joys and Perils of the Theatre. He is also Production Coordinator for the 1968 season, and has put in many long hours on set building. There is a lot of artistic talent here, and I expect we will hear big things from and about Mike Eaton in the not too distant future.

Exclusive Homesites . . . averaging 2 acres to each site. An ideal setting for your restful mountain home, on the highest plateau in Eastern America. This beautiful residential community in the Blue Ridge Mountains and only 2 miles from Highlands, appeals particularly to discriminating people who enjoy a healthy climate the year round.

At 4,000 feet it affords the most beautiful mountain views. Sagee has natural streams and flowing springs, yet for all of her primitive beauty there is city water (cool mountain water from the city reservoir), telephone service, electricity and fire hydrants.

## WHO'S WHO IN THE CAST

Christopher Horne (Nick). Christopher, son of Geoffrey and Collin Wilcox Horne, has had much contact with the theatre, personally and through his parents, for many years. He has acted in two Broadway plays and on television. The Hornes have left their home in California and will remain in Highlands until January. Christopher will enter school here in September.

G. Sam Sanfilippo (Murray). Sam is again acting and directing in the same play. He now receives moral support for this difficult task from his wife, Judy, and his two sons, who recently joined him here. After being snowed under with work all summer, Sam apparently feels he is prepared to face a Highlands winter; he and his family plan to spend many winter week-ends up here.

Mike Eaton (Albert). Mike has worked this summer as Production Coordinator at the Theatre. The job entails various tasks from carpentry to publicity writing. He has appeared in all four plays this season. After this play, Mike will leave Highlands to begin his junior year at Cornell.

Mary Raoul (Sandra). Mary opened the season with a lead role in BAREFOOT IN THE PARK and will close it with a lead in A THOUSAND CLOWNS. She has worked hard this summer at the Theatre with painting and doing other jobs necessary to producing a show. This fall she hopes to become involved in theatre in Charlotte, where she will be living.

Hank Laskey (Arnold). This is Mr. Laskey's stage debut in Highlands. As the new owner of The Blue Moon, he has helped the theatre this summer by lending props and by lending his daughter, who has helped with odd jobs. We hope to see more of him in future plays.

Dr. Tom Crumpler (Leo). Dr. Crumpler will be remembered by long-time theatregoers for his role in THE IMAGINARY INVALID in 1957. Since then he has appeared in a number of plays at HCT, most recently this summer in BAREFOOT IN THE PARK. This fall he will return to Tulane University in New Orleans, where he teaches chemistry.

## WHO'S WHO IN THE CAST AND COMPANY

**MARYE BRENT** (Mrs. Savage) won playwright John Patrick's approval when he came to Florida to see her play Opal in his "Everybody Loves Opal," a production directed by MICHAEL HALL and set by FRANK BENNETT for the Florida Theatre Festival. Patrick recommended "Marye B." for an extended engagement in the role at the professional Alhambra Dinner Theatre in Jacksonville, Florida, and since then she has played Opal throughout the mid-West. She is originally from Ocala, Florida, where she acted and directed for many years. Last season she returned from her "home-base" in Paducah, Kentucky, to play Beatrice Bundie in Patrick's latest comedy, "Everybody's Girl."

**DEAN BROWN** (Jeffrey) is an acting coach and design instructor at Onondaga Community College, Syracuse, N.Y. His summer stock credits include Ledges Playhouse, Grand Ledge, Michigan, where he played Jeffrey opposite Zasu Pitts, and White Barn, Pittsburgh, Pa. In addition to his work in Syracuse, he has designed for numerous community theatre and professional plays and operas. For the past several years he has designed both sets and costumes for the Opera Gala, Orlando, Fla. While at Carnegie Tech drama school, he and H.C.T. director MIKE HALL wrote and produced a musical, "Viv," for the school's Scotch 'n Soda Club. BROWN's great-aunt and uncle, Edith and Arthur Bliss, owned a home in Highlands for many years. DEAN will be in HIGHLANDS long enough to play Clive in "See How They Run."

**DONALD E. REMER** (Titus) is making a guest appearance with H.C.T. in the same role he played for Robroy Farquhar at the Flat Rock Playhouse several seasons ago. DONALD has been active with theatre groups throughout the area for many years. We welcome him to Highlands!

**"BOOTIE" RAYMOND** (Lily Belle) has played many leads for the Delray Beach Playhouse, including Vera Charles in "Auntie Mame." This summer she is managing Earl Young's Country Emporium in Cashiers.

**BOB VINSON** (Samuel) is a native of Macon County and appeared with H.C.T. for the first time this summer in "Only an Orphan Girl." A talented artist, some of his work was on display in the lobby during "Earnest."

**ROBERT JONES** (Dr. Emmett) is a member of the Marion Players in Ocala, Florida, who came to Highlands to appear in this play. BOB's college and community theatre credits include Henry Higgins in "My Fair Lady," Biff in "Death of a Salesman" and Merrick in "Impossible Years."

**ANNE ARNOLD** (Mrs. Paddy) won an acting award for her work with the Greenville Little Theatre several years ago. She now lives and works in Highlands.

## WHO'S WHO (continued)

**DEBBY RUSSELL** (May) is a staff member of H.C.T. this summer. Originally from Chicago, she moved to Ocala where she played Fairy May and Ida in "See How They Run" for the Marion Players. Her family recently moved to Orchard Lake, Mich. DEBBY will be a freshman at Catholic University this fall. Her major, of course, is theatre.

**GARY CHEATHAM** began working in the Ocala theatre as a student in MIKE HALL's creative drama classes. Since then he has acted, stage managed, built and designed scenery and run props for many Ocala major productions. He recently played Jonathan in "Oh Dad, Poor Dad" in Ocala. This fall he returns to the University of Florida as a junior drama student.

**MARY FERGUSON** (Script Girl) was seen earlier this summer as the femme-fatale in "Orphan Girl" and as Cecily in "Importance of Being Earnest." A can-can dancer at Six-Gun Territory in Ocala, MARY hopes to make a career in theatre. This season she played Corie in "Barefoot in the Park" and Rosalie in "Oh Dad, Poor Dad" for the Ocala group.

**SALLY KLINE** is from Gainesville, Florida. Active in high school and community theatre, her roles include Maria in "West Side Story" and the girl in "Absence of a Cello." This fall she will be a freshman at the University of Florida. Her musical talents were on display earlier this summer in "Orphan Girl."

**KITTY BRYAN** is a summer resident of Highlands and a winter resident of Orlando, Florida. She appeared at H.C.T. in the first production this summer. She has also done theatre work in the Central Florida area.

**JACK BLATT** has now returned to his home in Cocoa Beach, Florida, but will long be remembered by Highlanders for his performances as the Villain in "Orphan Girl" and as Algernon in "Earnest." For several years, JACK was a professional actor with the Mummer's Theatre in Oklahoma City and later with the Arena Stage, Washington, D.C. Theatre is now his avocation, since he is a barber and men's hair stylist in Rockledge, Florida, but it will always remain his first love. Several seasons ago, JACK played Charley in "Never Too Late" and Teddy Roosevelt in "Arsenic and Old Lace" for MIKE HALL in Ocala.

It has been a wonderful summer for all of us who worked at the Highlands Community Theatre, but it all came and went too fast! Director Michael Hall and Designer Frank Bennett learned of the opening at Highlands Community Theatre only this June . . . and in a matter of days organized a company which was on its way to North Carolina. A new set of flats was built . . . the lobby was repainted . . . and in three weeks the company opened in an unfamiliar theatre in an unfamiliar town. But now, eight weeks later, all of us feel like we belong in Highlands! We hope you will want us back next summer.

Our thanks to board members Mrs. Jack Wilcox, Tom FitzPatrick, Earl Young, Mrs. Nell Phelps, George Schmitt, Mrs. Paul Fifer, Mrs. John Hall, Mrs. Martha Goode and president Clyde Bolt. And our thanks to you, our Century Donors, Angels, Patrons, audience members and advertisers for making the summer season a success!

If we return next summer, there are thoughts of guest stars, new plays and drama classes for teenagers. Let us know your ideas about H.C.T. Visit us in Ocala, Florida, this winter. For your address book: Director Michael Hall, Box 1393, Ocala, Florida 32670; Designer Frank Bennett, 1138 E. 8th Street, Ocala, Florida 32670; Actress Marye Brent, 1040 Park Ave., Paducah, Ky.

Have a wonderful year! See you next summer?

## *Sagee Mountain...*

Exclusive Homesites . . . averaging 2 acres to each site. An ideal setting for your restful mountain home, on the highest plateau in Eastern America. This beautiful residential community in the Blue Ridge Mountains and only 2 miles from Highlands, appeals particularly to discriminating people who enjoy a healthy climate the year round.

At 4,000 feet it affords the most beautiful mountain views. Sagee has natural streams and flowing springs, yet for all of her primitive beauty there is city water (cool mountain water from the city reservoir), telephone service, electricity and fire hydrants.
